Dear Cross Country Coach,

The **1<sup>st</sup> Annual Hawk Invitational** will be held on Saturday - October 30, 2010 at Cross Farm Park in Holmdel. We will be utilizing an electronic chip timing systems to provide quick and efficient times and results. Athletes in grades 4-8 qualify to participate in the races. ## COACHES INFORMATION

Thank you for participating in this year's championship. Please read this information carefully.

### **REGISTRATION AND STAGING:**

All registration is done prior to race day. We will not accept any registrations the day of the race. Team packets will be available at the snack bar area at 8:00 am the day of the race. Your team roster, T-shirts, race numbers and pins will be in your team packet. Numbers should be worn on the front of athlete shirts. We will be using a "Chip" timing system with the chips already attached to the race numbers. Please be aware of this and do not try to remove or tamper with the chip. All athletes must stay aware for the location of the starting line and the announced start. Refreshments will be available for the runners after each race near the end of the finish line chute. Please dispose of all garbage in the appropriate receptacles. Parents and coaches must stay off the course at all times as to not slow down the runners. Parents are not allowed in the finish line bullpen area at any time.

### **Baby Hawk Races (Grades 4 & 5)**

This is a 1500 meter race. Boys and girls in grades 4 and 5 will run first and will be scored in their own separate team championship. Grades 4 & 5 will be separate even if your middle school team includes athletes from 5<sup>th</sup> grade. Official electronic timing is provided for all runners. Participants will receive a ribbon as they cross the finish line. Medals will be awarded to the top 20 male & female finishers with trophies awarded to the top 3 teams.

### **Champion Hawk Races (Grades 6, 7 & 8)**

Boys and girls in these races will also compete for a team championship. They will run a 3k (1.86 mile) course. Medals will be awarded to the top 30 finishers immediately after they finish with special medals for the top 3. 1<sup>st</sup>, 2<sup>nd</sup>, & 3<sup>rd</sup> place team champions will be announced shortly after. Official electronic timing is provided for all runners.

### **COURSE WALK THRU AT 9:00 am**

This course is fairly easy to navigate and is clearly marked at all turns. There will be on course Marshalls to make sure that no one gets lost. All teams will be afforded the same chance of quality competition. The top five runners from each team should position themselves directly on the starting line with the rest of your team behind them. Neither coaches nor parents are allowed in the area near the Finish line. Each athlete will be electronically timed as they finish so this *eliminates* collecting & filling out place cards. Scoring will be done by the traditional 'first five across' method with 6<sup>th</sup> & 7<sup>th</sup> place runners used as displacers. Each team must have at least 5 runners in the race to be eligible for team trophies. Race results will be live and everyone will have access to the results during and immediately after the races.
